Background

Bible Records Submitted for Revolutionary War Widow's Pension

Sarah “Sally” Eddins-Chandler, the widow of Josiah Chandler, began the process of applying for a pension from the federal government based on the Revolutionary War service of her husband by at least early in the year 1839.

A Certificate of Pension was issued the 28th day of August 1846 to Sarah Chandler of Wilson County, Tennessee.

Part of the documentation for this pension application included family bible pages.

Included in this Chandler Family Association Family Bible file are images from that application that appear to have come from the family bible, along with transcriptions of the genealogical information it contains. An attempt was made to faithfully record the material as it appears on those pages, including the original spelling, capitalization, and punctuation.
